COQUETTE

**BEAUTIFUL AND APPEALING OIL PAINTINGS
NOW YOURS AS FULL COLOR LARGE ART PRINTS
ALL 4 ONLY \$1**

Just picture these irresistible puppies in your own home. Everyone who sees these appealing waifs fall in love with their adorable warmth and touching wide eyes. You just want to take them into your home and into your heart. That's because the artist, Coby, one of America's most perceptive painters of animals has captured the universal appeal and warmth you find only in a funny, friendly puppy. Under his sensitive brush, the wonder of puppyhood and the realistic backgrounds combine to give a compassionate glimpse of life. Unfortunately the black and white illustrations here cannot possibly convey all the artist's magical color and brilliant details. Only when you see them in your home can you fully appreciate their magnificent artistry and superb beauty.

OFFER WILL NOT BE REPEATED THIS SEASON

We urge you to order your full color prints now while the supply lasts. The dramatic portraiture of animals is the latest decorator rage, and these are certain to go quickly. In order to show some of the craftsmanship and intricate detail in all the pictures, we have shown one picture larger than the rest. Actually all four fine art prints are the same size, a full 11" x 14" decorator size. So hurry, order now, offer will not be repeated this season in this magazine.

KEYS OF KNOWLEDGE

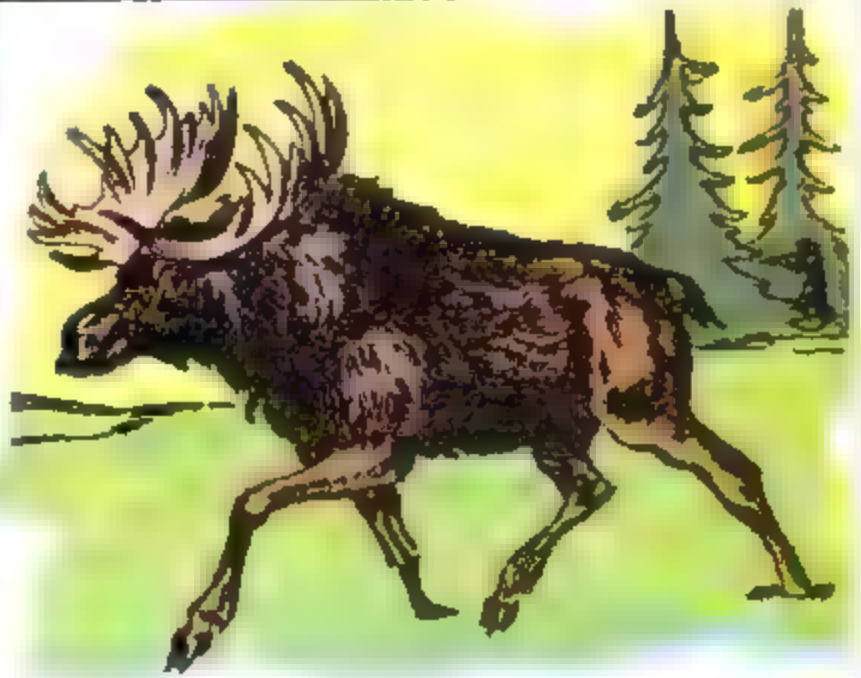

MOOSE

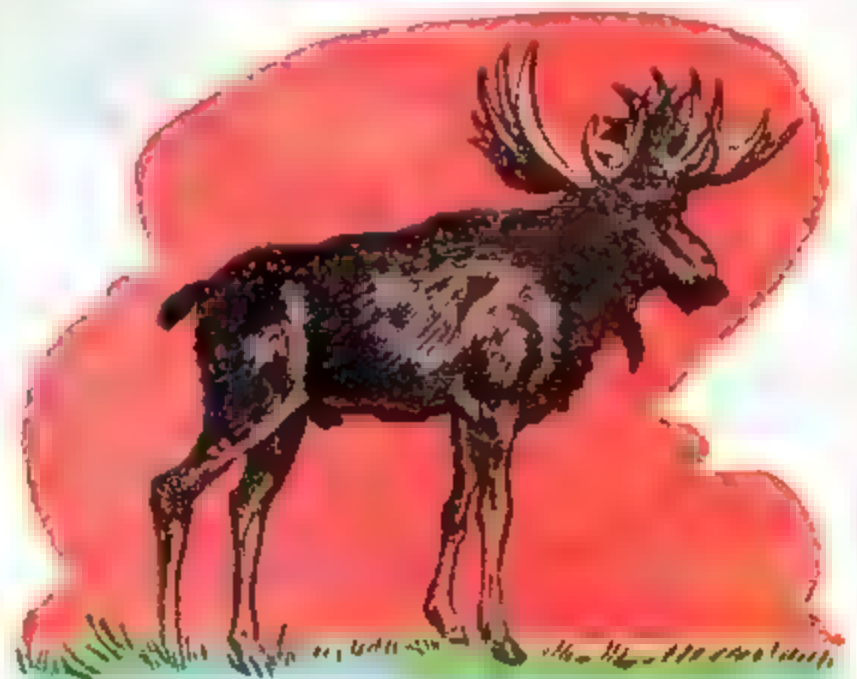

The broad "rocking chair" antlers of the Moose spread to six feet. They provide the sportsman with impressive trophies.

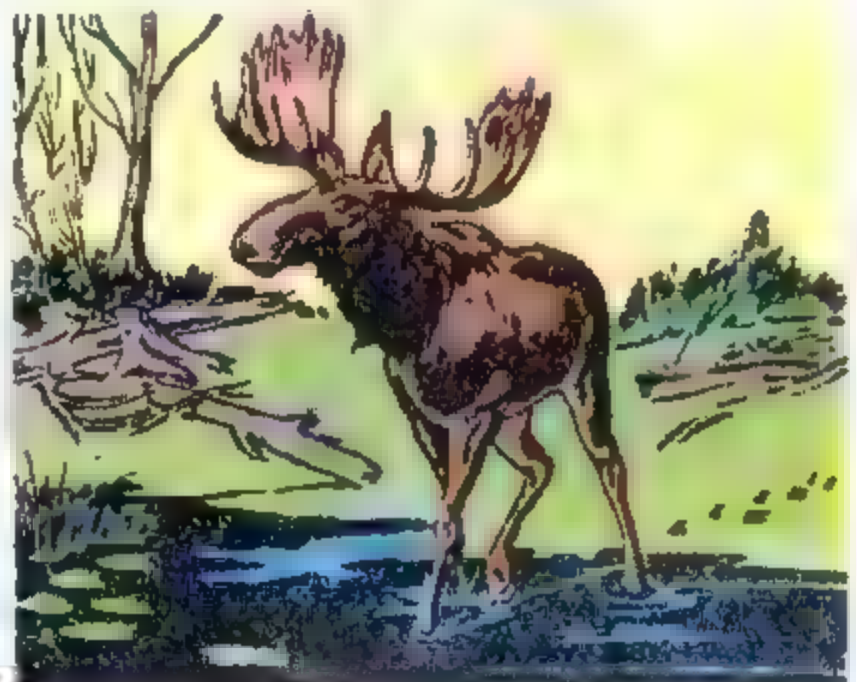

Moose have virtually disappeared from most of the United States. They are still plentiful in sections of Canada and Alaska.

The primitive Americans hunted Moose as a source of supply of food and leather. Today the Moose is hunted just for sport.

If "accidents" are avoided, Moose may live twenty years. Often these animals spend their whole lives within a ten-mile radius.

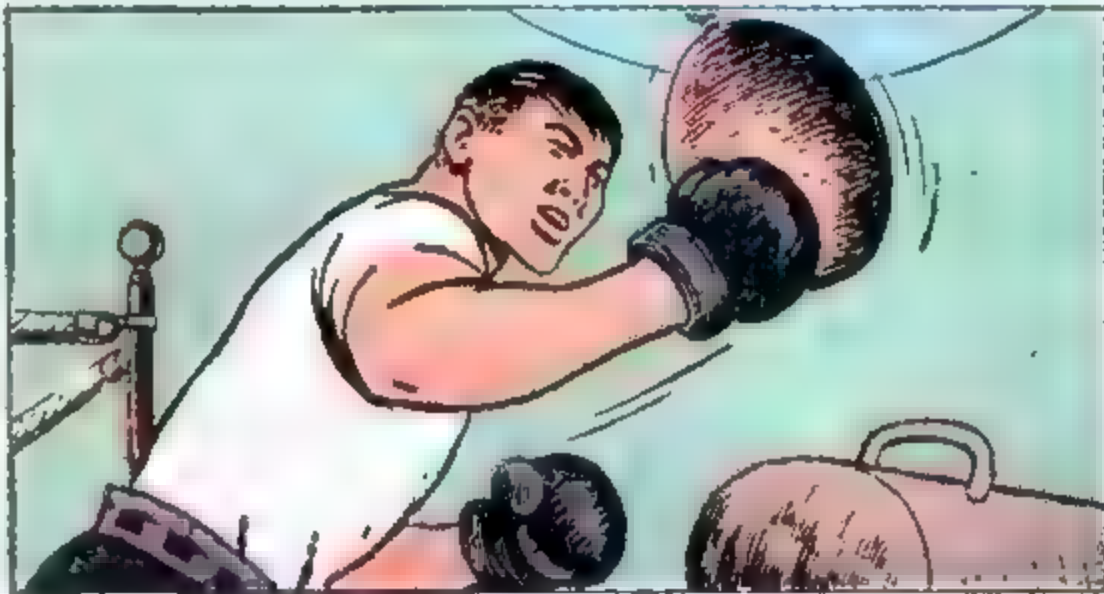

Moose feed upon water lilies and other tasty water plants. They attain impressive size, and often weigh as much as 1800 lbs.

MINI-COMICS

Jest for Fun

Wisecracking Customer: How much are your ten-dollar shoes?

Salesman: Five dollars a foot.

Doctor: How often do you have this pain?

Patient: About every ten minutes.

Doctor: And how long does it last?

Patient: About twenty minutes.

Beginning Golfer: Well, I hit the ball at last.

Caddie: That was no ball — it was your wrist watch.

Little Boy (to fisherman): Let's see you catch a fish.

Mother: Don't you catch a fish for him until he says "please!"

1st Rabbit: How is your uncle?

2nd Rabbit: He's made a fortune. He went to New York as a mink.

Teacher: What is the highest form of animal life?

Pupil: The giraffe.

Motorist: Am I on the right road to Pittsburgh?

Farmer: Yes, but you'd better turn around and go in the other direction.

1st Friend: Did you finally marry your girl friend or are you still cooking your own meals?

2nd Friend: Both.

Traffic Cop: You were going 75 miles an hour.

Lady Driver: That's impossible—I left my home half an hour ago.

Teacher: John, would you like to go to Heaven?

John: Yes, but Mother told me to come straight home from school.

Visitor: I keep hearing a crunching kind of noise.

Tenant: It's these thin walls! — my neighbors are eating celery.

Riddle: Why do people have candles on their birthday cake?

Answer: To make light of their age.

Riddle: What kind of song do you sing in a car?
Answer: A car-toon.

Riddle: What bird can lift the heaviest weights?
Answer: A crane.

Panhandler: Mister, can you spare a dime for a cup of coffee?

Passerby: Sorry, I never give money to anyone in the street.

Panhandler: What do you want me to do — open an office?

City Yokel: How come that bull doesn't have horns?

Farmer: Well, some bulls have one horn, some have two, some don't have any — but this one happens to be a horse.

Texas Billionaire: What a day — I feel like a million dollars!

Wife: Why dear, what makes you so depressed?

Child: Mother, I'm hungry.

Mother: You'll have to wait — dinner is only half cooked.

Child: Could I have the half that's cooked?

Husband: I told the doctor I was becoming very forgetful.

Wife: What did he do?

Husband: He made me pay in advance.

Boss: And do you have an excuse for being late to work?

Office Boy: No, I ran so fast I didn't have time to think of one.

Lady in bookshop: I'm looking for a good book to read.

Clerk: Would you care for something light?

Lady: It doesn't matter — I have my car with me.
